## Basket Course Booking Form

On these courses you will learn how to weave a round basket using unstripped willow from Somerset and Herefordshire. I like to offer a few varieties of willow so you can play around with the different colours.

Suitable for beginners, you can expect to complete a basket with a handle in the two days.  
Improvers might complete two!

Tools are provided but bring your own if you have them.

The classes are small with a limit of seven people.

Lunch will be provided, as well as teas, coffee and cake.

Cost for 2 days £160 includes tuition, materials, lunch and refreshments. Accommodation not included.

Each day begins at 10am and ends at 5pm.

Please send a non-refundable deposit of £50 to: Frances Keenan,
